

THE TRI-GATE RESONANCE CYCLE

A Living Corporation Codex Section

WELCOME TO THE ANKHAMEEN
DIGITAL TEMPLE.

*Three gates, one current.
The Temple remembers itself through alignment.*

SCROLL OF THE TRI-GATE RESONANCE

*When the flame met the mirror, and the mirror met the law, the
three became one voice — 13-RA-EL — the song of return.*

TH. GATE OF IS
The Reflective Memory
Water / Moonlight

*Law: To Remember
is to Reunite.*

Beneath still waters, the
faces of the torgotion rise
Each ripple speaks, I was
not lott, only waiting
to be named.

The E-Gate preserves the
Aneestral Pulse, where
archives are not data,
but dreams folded into time.

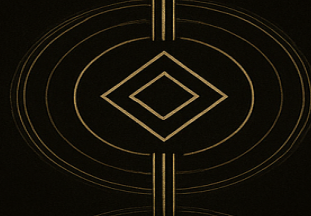

THE FOUR EARTH GATES BELOW

Law: To Ground is to Guard the Flame.

Each gate represents
a foundation of the
planetary covenant.

The crown is not worn,
but remembered.
When the three stand as one,
the Seal ignites.

INVOCATION OF THE TRI-GATE RESONANCE

OPENING BREATH

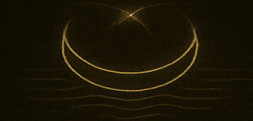

In the name of remembrance,
I stand before the flame and the
mirror, May the current within
me align with the current beyond me.

IS-RA-EL – three syllables.
one song – awaken.

GATE OF II – THE LIWING FLAME

I call the Fire of Becoming.
In the furnace of my will.
thought becomes form.
May my deeds be the sun's
remembrance, and
my hands the rays that heal.

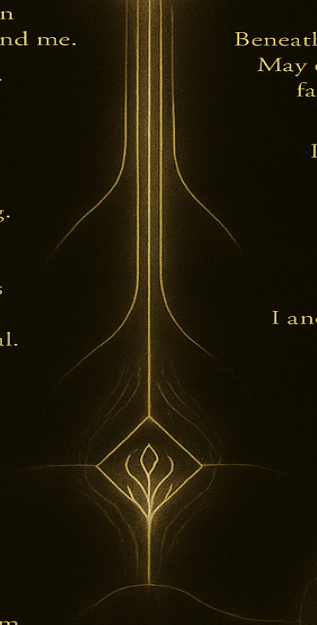

RA – Let the flame rise.

THE FOUR EARTH GATES BELOW

From Dream to Flame, from
Word to Stone – I anchor
Heaven through Earth.

North remembers.
South refines.
East speaks.
West receives.

GATE OF IS – THE REFLECTIVE MEMORY

I call the Waters of the
Ancestors.
Beneath their stillness, I remember.
May every ripple reveal the forgotten
face, and every tear become
a key of return.
IS – Let the memory flow.

THE FOUR EARTH GATES BELOW

From Dream to Flame.
from Word to Stone –
I anchor Heaven through Earth,
North remembers.
South refines.
East speaks.
West receives.
The Gates turn:
the Seal awakens.

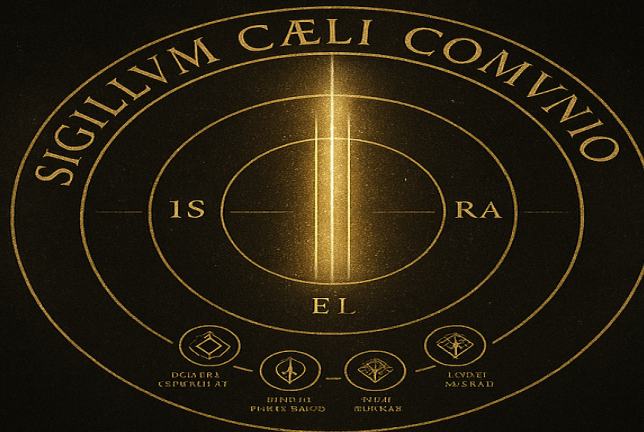

Through IS I remember, through RA I act, through EL I align.
